

POLY CHEM PROCESS EQUIPMENTS PVT. LTD.

"For us Quality is not just a word"

About COMPANY

SCOPE OF WORK

Design & Drawing

Manufacturing

Site Installation & Inspection

Annual Maintenance

We are pleased to introduce ourselves as a Pioneer Industry engaged in Design, Manufacture & Supply of various items made out of FRP (GRP), PVC-FRP, PP-FRP, PPH-FRP, PVDF-FRP, CS-FRP, ECTFE-FRP, PFA-FRP & lining of various Equipments using Thermoplastic & Fluoroplastic. Such as Process Equipments, Reaction Vessels, Storage Tanks, Pollution Control Equipments (Scrubbers, Separators, Blowers, Stacks Absorbers, Towers, Exhaust gas Systems) Pipes & Fittings, Floor Gratings etc.

Our team has more than 15-20 years of experience in various projects under consultants like, UHDE India / Thyssenkrupp, Worley / JACOBS & HG Ltd, TOYO Engineering, AKER Solution & Mott Macdonald while serving to FRP Industries all over the world.

INDUSTRIES WE SERVE

Bromine

Chemical

Chlor Alkali

Dyes & Pigments

Pharmaceutical

Fertilizer

Pesticides

Phosphoric

Pulp & Paper

Surfactants

Steel

Sulphuric

Viscose & Fiber

Water Treatment

Sulphonation

Ion Exchange Resins

Powerplant

Soda Ash

OEM

Desalination

ISO CERTIFICATION

STORAGE TANKS

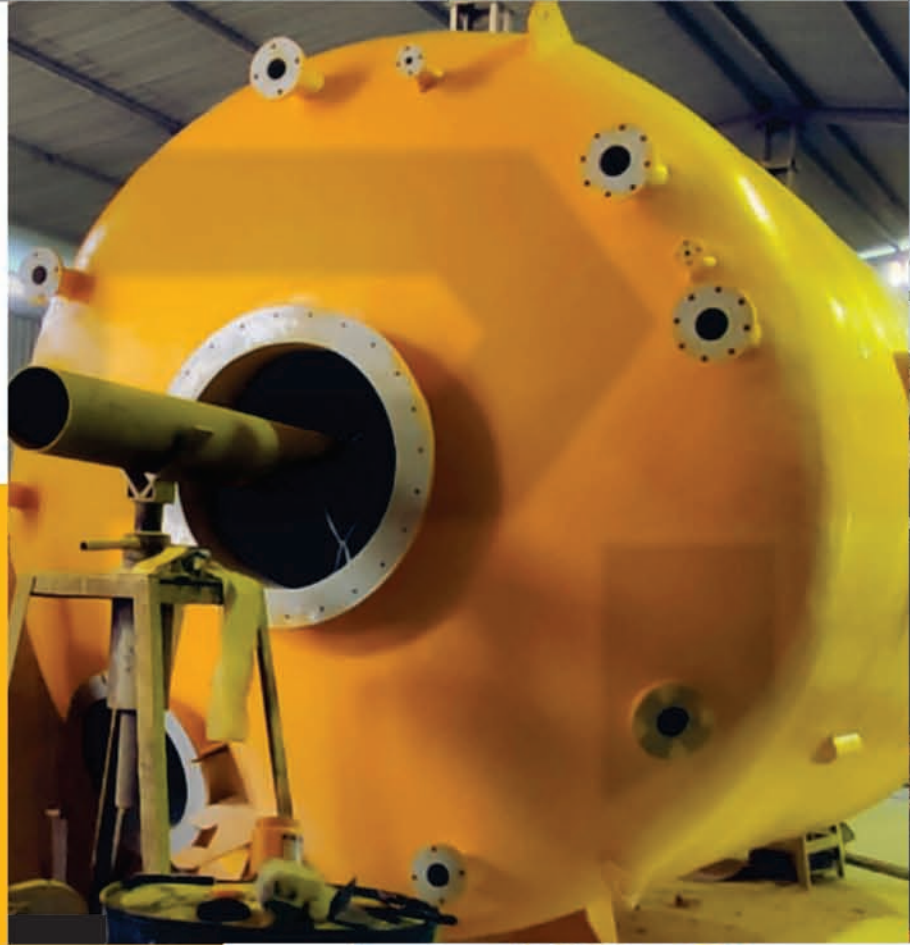

Storage tanks can be used to store a wide variety of chemicals.

Compared to traditional Metal Tanks, Non-Metallic Tanks last 20% more, weigh 50% less & are 20% more affordable.

Type : Cylindrical / Rectangular / As per client requirement.

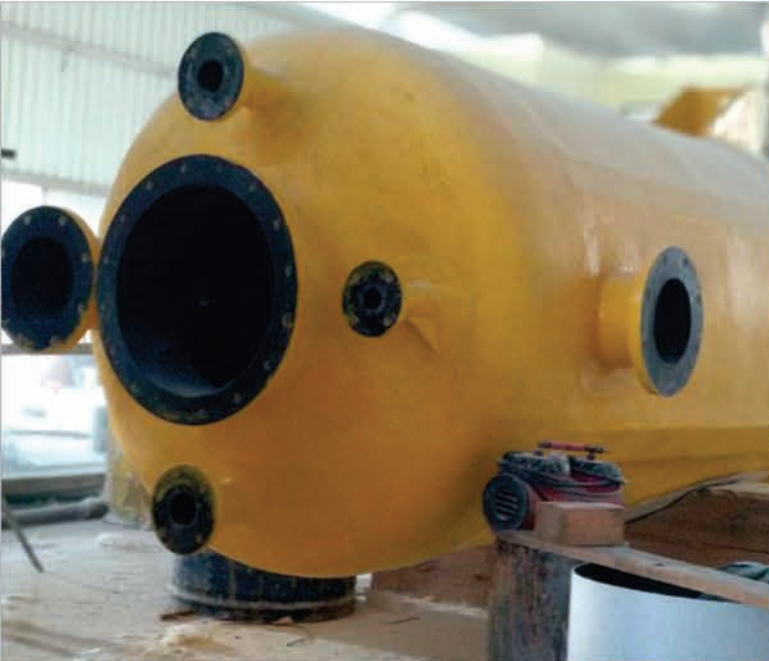

Accessories

Ladders, Float Type Level Indicator, Breather Valve, Railings, etc.

STORAGE TANKS

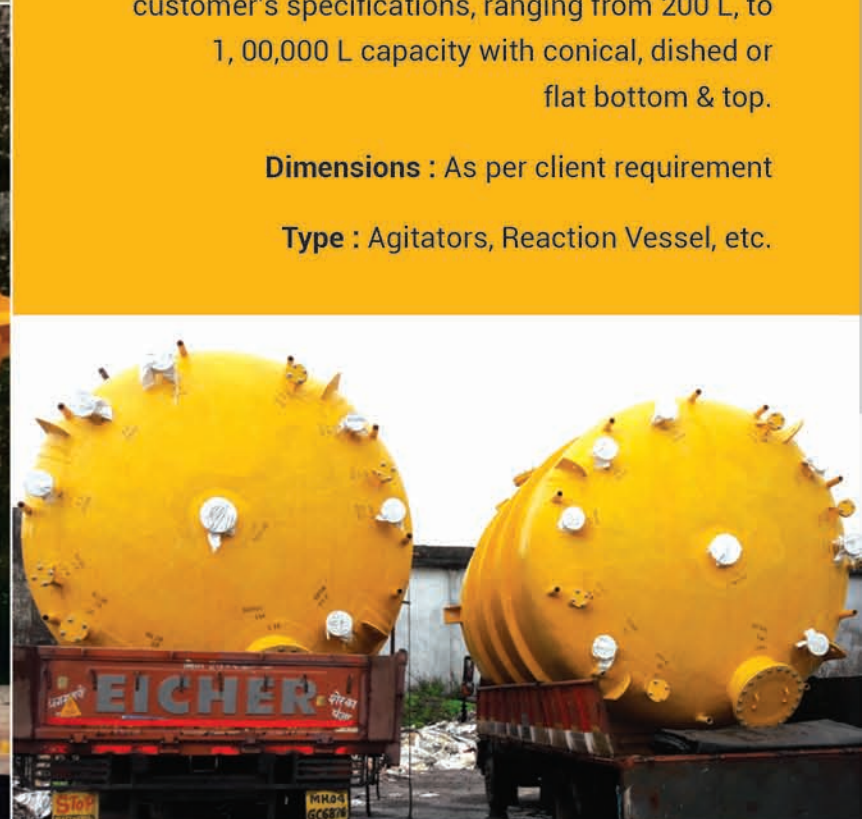

REACTION VESSELS

Poly Chem Fabricators manufactures Process / Reaction Vessels of different sizes & shapes as per customer's specifications, ranging from 200 L, to 1, 00,000 L capacity with conical, dished or flat bottom & top.

Dimensions : As per client requirement

Type : Agitators, Reaction Vessel, etc.

POLLUTION CONTROL EQUIPMENTS

Pollution Control Equipments made out of Industrial Plastics are not only affordable but also long lasting.

We are specialized in designing various types of Pollution Control Equipments for Chemical / Pharmaceutical / Steel / Sulphonation Industries.

Dimensions : As per client requirement

Type : Blowers, Scrubbing Systems, Pickling Tank, Fume Exhaust Systems, etc.

PIPES AND FITTINGS

Non-Metallic Pipes are mechanically very strong and can withstand high pressure & vacuum.

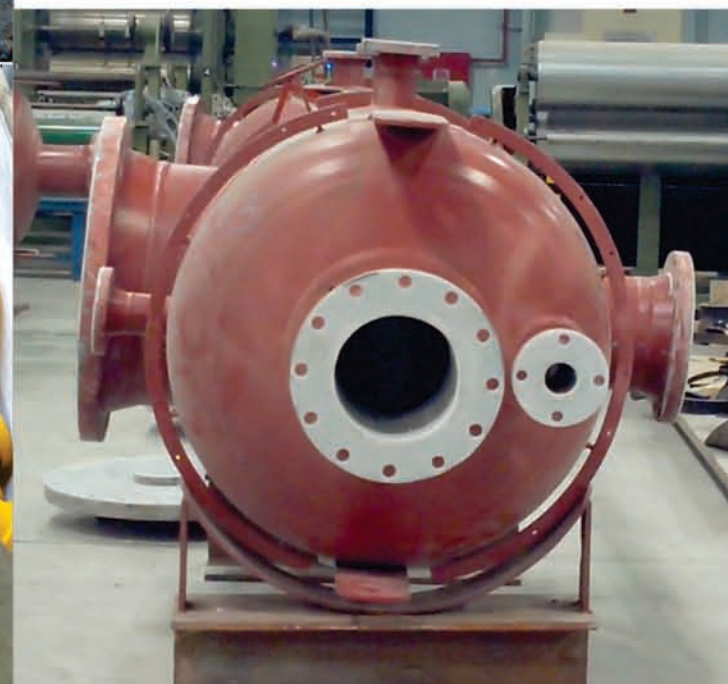

Dimensions : As per standards.

MOC : FRP, PPH-FRP, PP-FRP, PVC-FRP, CPVC-FRP, PVDF-FRP, FEP-FRP etc.

PCPE LINED EQUIPMENTS

We have expertise in lining of MS tanks or pressure vessels using FRP, Fluoro Plastics & Thermoplastic materials as per design standard & client requirements.

SPECIAL EQUIPMENTS

Apart from normal equipment, we also manufacture special equipments.

Dimension : As per client requirement.

Our Prestigious Clients
